

**Are you an IIT student who is working on CS/CE, design, business/entrepreneurship, or STEM projects?**

**Do you want to meet Chicago Tech + Startup companies who are looking to hire IIT students?**

**How does a White Sox game in a private, indoor suite sound? With a catered dinner?**

**THINK CHICAGO: WHITE SOX AND ILLINOIS TECH** is a collaboration event hoping to connect employers from Chicago Tech companies with Illinois Tech students working on exciting Tech projects. Led by Mayor Rahm Emanuel with ChicagoNEXT of World Business Chicago, the **ThinkChicago Roadshow** brings Chicago's tech leaders to visit top business and engineering schools at college campuses across the country, to showcase career-building opportunities within Chicago's vibrant innovation ecosystem.

**WHEN:** Monday - **April 9, 2018** - 3:30pm - 7:00pm (with White Sox Game to follow at 7:10pm)

**PROGRAM WILL ENGAGE:**

- Illinois Tech students in CS/CE, design, business/entrepreneurship, and other STEM disciplines
- Administrators, research teams, and other key stakeholders at universities
- Chicago Tech companies and start-ups

**WHERE:** Guaranteed Rate Field, Left field party suite, Box level.
